Thai Hospital Products is a Thailand-based private company.

It was established in 1994 with office and factory conveniently located in central Bangkok and outskirt of Bangkok respectively.

We are the leading manufacturer for full range of disposable medical products with customer base around the world.

At Thai Hospital Products, we work closely with our customers to understand their needs so that we can supply outstanding quality, value and service.

Our product range includes Face Masks, Surgical Gowns, Isolation Gowns, Lab Coats, Coverall, PE Gowns, Aprons, Nurse Caps, Surgeon Caps, Shoe Covers, Boot Covers, Instrument Cover and other medical products according to customer requirement.

VISION

To be the partner of choice for customers by providing high quality disposable medical products and services that enhance the quality of life of those we serve.

MISSION

In a rapid changing environment we are focused on developing mutually beneficial partnerships with all our stakeholders to deliver high quality, cost effective disposable medical products and services through people and operational excellence.
